

THE EVANS WINE COMPANY

NINE STONES – Australian Single Varietals & Regional Wines

The name Nine Stones celebrates the Celtic heritage of the two founders of The Evans Wine Company, the great, late Len Evans and the current Chairman, Denis Power. The Celts have left us to ponder the many groups of standing stones that exist to this day, including a number where the surviving stones are nine in number.

THE EVANS WINE COMPANY

SMALL STEPS

Small Steps is a new range of wines from multi regional vineyard sites across South Australia, produced by The Evans Wine Company. The philosophy is simple – taking small steps to produce quality wines at an affordable price that will never be dull in flavour and that are made to be enjoyed with food.

One Small Step for man, one giant step for honest winemaking.
